

Medjugorje - A Journey of Faith – by Margaret Mayhew Pénicaud

How did the Fish Farm for Haiti Project get started?

The events in a small village in Bosnia-Herzegovina (in former Yugoslavia) have made a radical impact on my journey of faith.

In June of 1981, Mary, Mother of Jesus, began appearing to six children in the village of Medjugorje, bringing messages of peace and hope. To this day, over thirty years later she continues to appear daily, urging us to spend time every day talking and listening to God, reading the Bible, doing penance and converting our hearts. “Put God in the first place in your lives”.

She asks us to fast and pray for peace in the world, and to live and transform her messages into life. “The perfect fast is bread and water.” “Through prayer and fasting you can stop wars and suspend natural law.” Fasting has enhanced my prayer life. It intensifies the Word of God. It has heightened my awareness of the critical role food plays in our lives, and therefore, the plight of those who are without.

Millions of people of every denomination and walk of life have gone on pilgrimage to this special place of spiritual gifts and blessings. These messages, if taken seriously, will change your life and bring hope for peace in the world. Join us on a spiritual pilgrimage to Medjugorje **May 11– 20, 2012**.
